

# AMBERTEC

## Sample Slitter

*The **Ambertec Sample Slitter** is designed for fast and easy preparation of CD sample strips for laboratory measurements. For all cases where a uniform, straight cut sample has to be prepared onto a sample spool.*

- ✦ **Quick and easy preparation of cross-machine profile samples**
- ✦ **Motor driven with speed control**
- ✦ **Safe and Easy to use**
- ✦ **Sample spools fit directly to Ambertec measuring instruments**
